Precision Swiss Parts AG attaches great importance to the protection of your personal data and strictly complies with the pertinent provisions governing privacy. For our business activities, the collection of personal data is limited to mere technical requirements. Under no circumstances will the data collected be sold or passed on to third parties unless they are indispensable for the execution of business transactions with you.

Data processing on this website

Precision Swiss Parts AG automatically collects any information transmitted to us by your browser and stores them in server log files. This includes:

- Browser type/version
- Operating system used
- Referrer URL (page previously visited)
- Host name of the computer accessing the site (IP address)
- Date and time of server request

For Precision Swiss Parts AG, these data are linked to indeterminate persons. These data are not cross-checked with

other data sources and are deleted after a statistical analysis.

Security of your personal data

Precision Swiss Parts AG protects your personal data from any unauthorized access, use or disclosure and assures you that your personal data you have stored in the server are in a secure and controlled environment.

Disclosure of your data

Precision Swiss Parts AG does not disclose your personal data to third parties unless they are indispensable for the execution of business transactions. The data disclosed are limited to the data that are indispensable and required minimally. In case the company Precision Swiss Parts AG is obliged to do so by law or court order, we will only pass on your data to public institutions and authorities that are authorized to receive information.

Amendment of these privacy provisions

Precision Swiss Parts AG reserves the right to amend the security and privacy measures to the extent necessary for reasons of technical development. In such cases, we will also adapt our privacy provisions as necessary. Therefore, please refer to the latest version of or privacy declaration.

External links

This website contains links to third-party websites ("external links"). Such websites are subject to the responsibility of their respective operators. When setting up external links for the first time, the provider must check their foreign contents to make sure that they do not violate the law. At that time, no violation of law could be detected. The provider has no influence whatsoever on the current and future layout and contents of the linked pages. Setting up external links does not mean that the provider adopts the contents of the cross-reference or link. Constant monitoring of external links by the provider is not valid without tangible evidence of violation of the law. If we become aware of this type of violation, the respective links will be removed immediately.

Cookies

Web pages use so-called cookies at several places. They shall enhance the ease of use as well as the effectiveness and security of our offer. Cookies are small text files that are placed on your computer and stored by your browser. Most of the cookies used by us are so-called "session cookies". They are automatically deleted at the end of your visit. Cookies do not damage your computer and do not contain any viruses.
